Jack Whitford entertained a number of his little friends at a Hallowe'en Party last Thursday evening at his home on S. Main street. The house was beautifully decorated in colored lights giving it the ghostly appearance of the occasion. Although the rain interfered with some of the program which was planned, the little host, furnished an abundant supply of amusement which the guests enjoyed. Among some of the features were a pumpkin contest which was won by Miss Laura Tarker, and the best disguised ghost prize was won by Beulah Travis.

The little folks who ventured out to enjoy the evening were Misses Sarah Featherston, Thelma King, Sarah Crutchfield, Lena Davis, Aileen Fox, Laura Parker, Florella Wright, Mary Martin, Susan Marie Crutchfield, Margaret Dudley, Janie Ford and Grace Haden, of Texas, Jimmie D. Emderton and Gladys Whitford. Masters Tommie Featherston, Carl Umstead, Beulah Travis, Rex Hampy, Manon Oldham, Harold Oldham, Nelson McCreary, Eugene Witherspoon, Malcolm Stokes and Lonnie De-shon.

### INSTALL NEW MIRROR SCREEN

A New Glass Curtain Recently Invented and Patented Has Just Been Installed

AT THE IDLE HOUR THEATRE

Mr. Walker, manager of the Idle Hour Theatre, has again shown his enterprise and his solicitude for the comfort and pleasure of his patrons by the installation of a "MIRROR SCREEN" into his beautiful Motion Picture Theatre. The "Mirror Screen" is a new invention whereby Motion Pictures are made bright, brilliant and clear and at the same time the light is softened and diffused so that the pictures are most delightful, pleasant and agreeable to the eyes. Sometimes people complain that the pictures hurt their eyes. This is completely eliminated by the use of the "MIRROR SCREEN," which is in reality a most beautiful and costly Mirror, manufactured and scientifically treated to reflect motion pictures in an entirely different appearance from the usual way. Its innovation is practically transforming the motion picture business, bringing them to greater popularity. The "MIRROR SCREEN" can only be seen exclusively at the Idle Hour Theatre and it will pay everyone to call and note the wonderful difference produced by this new method of projecting Motion pictures.

### PRESCRIPTION

#### For a Long Life.

This is the prescription for a long life given by an old gentleman in Connecticut, who is ninety-nine years old and still well and cheerful. "Live temperately, be slow to anger, don't worry, take plenty of exercise in the fresh air, and, above all, keep cheerful."

Should the system get run down—digestive organs weak—the blood thin and sluggish, take Vinol, which is a delicious combination of the medicine—body-building properties of cod's livers, with the useless grease eliminated and tonic iron added. We regard Vinol as one of the greatest body-builders and strength-creators in the world for aged people.

Mrs. Mary Ivey, of Columbus, Ga., says: "If people only knew the good Vinol does old people, you would be unable to supply the demand; it is the finest tonic and strength-creator I ever used."

We wish every feeble old person in this vicinity would try Vinol on our agreement to return their money if it fails to give satisfaction. Sold by ST. BERNARD MINING CO., Incorporated, Drug Department.
